

Patchwork and Quilting in Britain

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Patchwork and Quilting in Britain, Heather Audin, Patchwork quilts are hugely evocative emblems of our domestic past. With no two quite the same, each example hints both at the story of the particular household in which it was produced and at a larger piece of social history. But quilting is by no means only historical, with the craft seeing a huge revival in popularity in recent years, and items that were once made for purely utilitarian and practical reasons are now produced and appreciated for the connection they afford us to a rich vein of heritage and nostalgia. Illustrated with a stunning range of examples from the Quilters' Guild Collection - of which the author is curator - this book is a wonderful introduction to a hugely important aspect of British domestic history.
