

Jackie Robinson (Paperback)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SIMON SCHUSTER, United States, 2014. Paperback. Book Condition: New. Meryl Henderson (illustrator). Reissue. 192 x 128 mm. Language: English . Brand New Book. Learn all about the childhood of Jackie Robinson, and how he became all-star in American history as well as baseball! Jack Roosevelt Jackie Robinson was the first African American to play Major League Baseball in the modern era. Robinson broke the baseball color line when the Brooklyn Dodgers started him at first base on April 15, 1947, ending racial segregation and contributing significantly to the Civil Rights Movement. He went on to have an amazing baseball career. Over ten seasons, he played in six World Series, was selected for six consecutive All-Star Games, was the recipient of the inaugural MLB Rookie of the Year Award, and won the National League Most Valuable Player Award in 1949. In 1962, he was inducted into the Baseball Hall of Fame. And in 1997, Major League Baseball universally retired his uniform number, 42, across all major league teams, making him the first pro athlete in any sport to be so honored. In this narrative biography, you ll discover what he was like as a kid, and how his experiences made him into the athlete and activist he later became!.
