Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tissue Boy is a deliciously bonkers and dark coming of age novel. Following the death of her husband, Abishag dispatched her two sons to the notorious Camp Basawa on the desolate Skeleton Coast. Here the brothers, Kaner and Abel, trained as assassins of the Facist Apartheid regime. Through drug induction and sexual liaisons Kaner came of age by falling in and out of love. By day the merciless sun scorched him, by night surreal animal fables haunt his dreams including a NY s Eve beach party attended by an old circus lion and his three warthog servants. Their grimy killing careers take the boys to the blood diamond camps in the African jungles and the nightclubs in the City of Gold. Beautiful, desperate, kinky, magical surrealism teen must read tale, with a glorious cast of a thousand characters. Bethnal Green Chronicle. Mad, crazy, romantic YA fiction for the now generation. - Royal London Literary Review The story contains graphic teen sex scenes.
