Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

HANDWRITING: LEARN CURSIVE! (PAPERBACK)

Peter Pauper Press, Inc, United States, 2015. Paperback. Book Condition: New. 287 x 221 mm. Language: English . Brand New Book. This fun workbook can help kids teach themselves how to write in cursive (also known as longhand or script) or allow them to refine the writing skills they already have. This book includes: Pages of capital and lowercase letters. Follow-the-arrow diagrams that show how to make the letters. Words to copy that begin with all the letters of the alphabet. Sentences to copy. Guides for writing the names of months, the days of the week, and numbers from 1 to 10. A place for the child to write his or her signature. Appealing full-color pictures. With its helpful diagrams, plenty of space to work, and simple exercises, this book is the perfect companion for beginning writers. 8-1/2 inches wide by 11 inches high (21.6 cm wide by 28 cm high). 96 perforated and reproducible pages. Studies have shown that writing is an excellent way to activate different parts of the brain. Learning how to write helps children develop fine motor skills. Writing things down also helps them retain more information. Fewer and fewer schools are teaching cursive these days and parents are looking for resources like this for their children. Many kids, too, want to write like their parents and grandparents. This book will help!.
