## INTERNET DATING

Xlibris, Corp. Paperback. Book Condition: New. Paperback. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. If someone were to ask Lance Austin to put into words, his feelings and his beliefs about love, he would be hard pressed to provide a short definitive answer. Ask him to show a particular woman that he loves her and you would be wasting your time. He will have already strapped himself into his 100 M. P. H. , high flying roller coaster and taken off into his over-the-top expressions of true endearment for whomever he has chosen as his mate. When Lance takes his love journey onto the internet for the first time in his life, he does find love; but will it last Will the life changing experience that Melanie Powell brings to the table, be for the better in their lives or for the worst The sexual experiences they share are extraordinary and often. The poems and love letters he writes to her are excessive. They often exchange extravagant gifts and they experience many new venues together; and oh, lets not forget the arguing and the fighting that comes gift wrapped with all of the above. Will this potentially lethal combination prove to be their downfall in an attempt at everlasting love In between all of that, Lance manages to meet other cyber space hopefuls online; though his heart is still with Melanie. There are a variety of reasons why he shouldnt be with any of these women but he allows himself to entertain the thought of it anyway. He meets some of them in person at least once, finding himself strapped into another kind of roller coaster; one that is mentally challenging, humorous, painfully dramatic, yet ultimately disappointing. Lance begins to reflect upon his own internal qualities and only time will tell...
