## Organic Chemistry (Vocational Education and Eleventh Five Year Plan textbooks)

By ZHANG LONG // ZHANG FENG

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 190 Publisher: China Agricultural University Pub. Date :2007-08-01 1st edition 1st printing 2007-08-01. organic is a vocational education is an important foundation courses. vocational education classes in forestry. animal husbandry plays a very important role. This book introduces the organic compounds. alkanes. aromatic hydrocarbons. halogenated hydrocarbons. ether-alcohol-phenols. aldehydes and ketones quinones. nitrogen-containing organic compounds. heterocyclic compounds and alkaloids. isomers. lipids. amino acids and proteins thirteen chapters. And the book also describes the important physical constants of organic matter measurement techniques. separation and purification technology of organic matter. organic matter of identification techniques. such as organic synthesis Part 5 experimental training. Contents: Chapter 1 Introduction Section I Section II organic compounds with the molecular structure of organic compounds III Classification Summary Chapter review questions to think chain hydrocarbon Section III alkane alkene alkyne chapter II Review questions Chapter Summary think aromatics aromatics Section II classification and naming the molecular structure of aromatic hydrocarbons Section IV the nature of single-ring aromatic substituents on the benzene ring polycyclic aromatic positioning rule V hydrocarbon Summary Chapter review questions thinking about the...

### Reviews

*This sort of publication is everything and made me seeking forward and much more. Better then never, though i am quite late in start reading this one. I am easily could possibly get a delight of reading through a created pdf.*

-- **Quinton Balistreri**

*A really amazing ebook with lucid and perfect answers. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this pdf.*

-- **Prof. Bertram Ullrich Jr.**
