Excerpt: . . . quite as much as numbers and wealth. We in our day fought a great battle that unity should be maintained, that liberty should be universal, and that justice should not be at the mercy of the disaffected. Now our flag is universally respected because it is the true emblem of the power of a united people, and because it represents principles that are dear to all mankind. All may come and show its advantages, and none should fear it unless they attempt to trample on the principles of universal justice. Let us cherish the memories of the past, and resolve, each in his own sphere, to uphold the right as we see it, and the blue of our flag, studded with stars, will be as the firmament of heaven, and the stripes symbolic of the sun's glory, as he sets in the summer's horizon...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
