Nick Dutch, United Kingdom, 2008. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. NickDutch covers subjects such as spell casting , the creation of familiars and servitors operations with angels, the creation of demons and making them do your bidding, ritual work and astral projection with a mention also of the Talking board and how a skilled modern day practicing occultist can put such devices to good use. He includes some sample rituals that you can do without much or anything in the way of equipment, and gives many anecdotes of a rather spooky nature that will enthrall the reader and give excitement to the continued investigation into the supernatural. Knowing that many people are concerned about the dangers of the occult, NickDutch points out where these dangers really lie, shows the evidence that these dangers are real and gives structure, attitude and understanding as to how to keep safe when dealing with supernatural issues. An in depth, powerful and entertaining read.
