Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History of Egypt I. Egypt, a Wonderland. - There have always been a peculiar interest and a charm attached to Ancient Egypt and its story, arising out of the romance and traditions connected with the land. It was to Egypt that Abraham went; in it Joseph fulfilled his high destiny; at its court and schools Moses received his early training; and there the Israelites groaned under the tyranny of Pharaoh, from which they were delivered only by the mighty power of Jehovah. The youthful nations of Greece and Rome were impressed by its hoary antiquity and high civilization, and to them also in many things Egypt became a schoolmaster. They, as all who since have visited the Nile valley, stood with awe before its colossal works, its pyramids and temples, its Sphinx and obelisks, and spread the fame of them through all lands. We do not wonder then, that in the popular mind Egypt was as a fabled land. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
