Brand New Book ***** Print on Demand *****.Excerpt from *Quedah: A Cruise in Japanese Waters, the Fight on the Peiho* The majority of naval officers are self-taught men: the world their book - the midshipman's dingy berth their Alma Mater. The author is no exception to the rule; and as his confession may be profitable to others, he makes the public sufficiently a confidant to say, that to a steady habit of journalising, noting down all he saw, read, or felt, and, in spite of defective spelling and worse grammar, still educating himself with his journal, he is mainly indebted for being able to fight his way up an arduous and emulative profession.
