The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

Featuring TIME FOR KIDS content, this resource offers experience with questions similar to those that appear on today's assessments and includes ten high-interest informational texts, four engaging literature passages, three poems, and three reader's theater scripts; 16 as standalone exercise texts and two sets of paired exercise texts. Each text incorporates: questions for key ideas and details, craft and structure, integration of knowledge and ideas, and one or two constructed response questions based on technology-enhanced questions on the real tests. Not only will students enjoy preparing for assessments through these exercises, educators will feel fulfilled knowing they're setting their students up for 21st century success.
