

The LPN-to-RN Bridge (Paperback)

By Allison J. Terry

Jones and Bartlett Publishers, Inc, United States, 2012.
 Paperback. Book Condition: New. 226 x 178 mm. Language: English . Brand New Book. This text is the essential resource for students who have already acquired some nursing knowledge from a diploma or a practical nurse program, particularly students pursuing a degree as a registered nurse (RN) who have previously acquired training as a licensed practical nurse (LPN). It bridges the gap in students thinking as they move from the tactile-based practical nurse to the professional registered nurse who engages in critical thinking. This is an ideal text for students enrolled in Fundamentals of Nursing, Basic Nursing Concepts, or a Role Transition course. Key Features * Offers guidance to develop effective study skills * Includes preparation for licensure examination * Contains evidence-based practice * Covers leadership and management * Includes dosage and solution calculation * Explains the problem-solving and decision-making process as a registered nurse * Offers a robust Companion Website with online activities to improve student learning.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
