Brand New Book ***** Print on Demand *****.Every child deserves success and well-being from this world. Mookie Mogle and the Little Red Loon is a story to inspire children to use their creativity and imagination to accomplish what some claim is impossible. This is a child s story about a gopher who wants to fly like a bird! Written in poetic format, this story is soothing and melodic to the ears and invokes imagination and adventure to illustrate that Nothing is Impossible. The text compliments the words presented to students in some third grade spelling exams. It may be a bit sophisticated for a toddler or small child. Nevertheless, it is beneficial to stimulate and encourage a child s curiosity to learn. Also, words rhyme and the story s creativity and adventure makes it ideal for parents to read as a bedtime story to those children not yet able to read. Original artwork provides colorful illustrations, which compliment and visually depict many scenes Mookie Mogle and the Little Red Loon is prepared for young children to realize better success from their futures. Their life experiences will provide direction and motivation for their thoughts and actions. It is with honorable intention that this book has been published to encourage our young youth to strive for their dreams, regardless of any obstacles, to make them become reality.
