Overlook Press, United States, 2015. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. Easy Hardwick has it made. At just about thirty, she s got a tumbledown cottage in small-town Oregon and an uncomplicated acting gig as the space-babe eye candy on a sci-fi parody show. She spends her downtime online, bickering with fans and fellow culture vultures about film trivia and relishing her minor-but-satisfying celebrity. Enter Harrison. What begins as a jocular online flirtation spills into a messy IRL affair, and Easy finds herself pregnant with twins and sharing her home with the love of her life plus the teenage daughter, baby son, and slightly unhinged, soon-to-be-ex wife she kind of didn t totally know he had. Easy may play a space ditz in hot-pants on TV, but her voice is restlessly intelligent, negotiating the absurdities of a world lived onscreen and online and striving to make sense of heady problems: love affairs, ex-wives, teen girls, eating disorders, and whether cannibalistic flies count as zombies. Like the captive great white shark that sets Easy s story in motion, Nadine Darling s writing has got teeth. Her pointed, precise dialogue, empathetic insights, and live-wire observations elevate this novel from zany domestic drama to outlandish comic masterpiece. *She Came From Beyond!* is an audacious, fresh debut from a writer to watch.
