MANES TALES THRILLERS A BOOK OF CAPTIVATING SHORT STORIES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Thirty-five short stories; six sequels; twenty-nine different themes, with barely any similarities apart perhaps from a recurring catchy fast paced style immersing you into a vivid world where action and events seem to happen and unravel right before your eyes, often before you know it. That's how you may feel when reading this book. From a man stranded into the desert, we then enter the mind of a scientist; next we go to a whodunit mystery, a car chase then pages that seem taken straight from a history book from the future. That's just for the first five stories and you have plenty more to follow and keep you hanging to every page and word until the last. The vivid imagination of the author takes us on a mental virtual roller-coaster of thrills and emotions. Life Saver and Destiny Girl brings us to an intriguing moment in time shared by a man and a mysterious woman, and carries us along to a place we may not want to be but still acknowledge. If you wonder what that means, go along and read. Risky Tripping Foxtrot is catchy with both elements of humour and action competing for the limelight. Triple Cross and Decoy take us each in their own style into that mushy gangster world. Then Down West - Dead or Alive, as the title says, brings us into the Western genre with some typical themes of revenge, gunfights and redemption. Hell Heat combines the unyielding determination of a tycoon with the sci-fi recurrent of space exploration. Then Criss-Cross Mountain, takes us into the horrid but captivating moments of a fight for survival. Published around the time of Halloween,...
