Brand New Book ***** Print on Demand *****.Surviving Primary School! - How to succeed in everything that that you want and could wish for. It happened in the middle of a math class. The teacher asked a question which I knew the answer to.it was as clear as day so I decided to pluck up the courage to raise my hand. Up to this day I m not sure who was more excited, me for having raised my hand, or my teacher who was seeing me ready to answer a question (and open my mouth to talk) for the first time since I d landed in her class. You already have the inner strength to help you get there and this book will show you how to use it! In this book you ll learn: How to think positively! How to believe in your selves! How to succeed at school and with others, in everything that that you want and could wish for. Let me share the secret with you -...
