Essay from the year 2009 in the subject Sociology - Consumption and Advertising, grade: A, University of Derby, course: BA in Sociology and Film and Television Studies, language: English, abstract: This essay analyses advertisements for consumer culture, the commodity culture. By looking at semiotics and Saussures concept of the sign and also explaining what is meant by the signified and the signifier, we will look at the linguistic model and explain how this applies to the chosen advert or adverts that are analysed. Evidence of Romanticism and naturalistic elements will be investigated using Williamsons view on the natural and the unnatural.
