Alfred Publishing Co., Inc., United States, 2010. CD-ROM. Book Condition: New. Teachers Guide. 193 x 135 mm. Language: English . Brand New. The award-winning software method, Alfred s Essentials of Music Theory, is now available in a new and updated Version 3! With new features that allow educators to completely customize lessons, tests, images, and even sound files, this software features a fresh new interface and more activities to teach students everything they need to know about music theory. New features for the Educator Version include greater options for educators to customize lessons, the audio, text and images used for lessons, the number and style of questions on the customized tests, and even the contents of the terms glossary. It also offers enhanced user, and group maintenance options for educators to organize and track multiple students progress. The Educator Version of the software allows for the unlimited creation of student records and the printing of individual scores, printing of class lists, importing and exporting of student records in batches, and the setting of a minimum grade requirement that students must meet to advance to the next level. This version is intended for educators with one computer in a classroom, or for private lesson/studio use where tracking the progress of multiple students is helpful. Appropriate for ages 8 to Adult.
