Walker & Company, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Few scientists know migratory birds as intimately as Bridget Stutchbury, who has followed them with wonder and passion from the jungles of Costa Rica and Belize to the hardwood forests of North America." Scott Weidensaul, author of *Living on the Wind* and *Return to Wild America* "Bridget Stutchbury is a leading authority on the science of migratory songbirds, but she understands the magic, too, and knows how to express it in clear, rich prose. *Silence of the Songbirds* has heart as well as brains, telling us not only what we risk losing but also why we should care." Kenn Kaufman, author of the *Kaufman Field Guide to Birds of North America* "Nearly half a century ago, Rachel Carson warned us of the grim plight of songbirds, sparking an uproar that led ultimately to the banning of DDT. In *Silence of the Songbirds*, Bridget Stutchbury makes clear that the dangers migratory songbirds face are greater than ever. Her book is an eloquent plea on behalf of songbirds, and also gives practical suggestions on things we can all do to help for the good of the birds as well as the human race." Tim Gallagher, author of *The Grail Bird* "Bridget Stutchbury takes us from the tropical forests of Panama to her farm in Pennsylvania, sharing her personal stories about birds as well as the latest scientific information explaining the disappearance of songbirds. The solutions are a win-win-win for birds, people, and the environment. If you care about birds, you owe it to yourself and to the birds to read this eye-opening book." Miyoko Chu, author of *Songbird Journeys* "An alarming, first-hand journey through the world of disappearing songbirds by a premier scientist. A must-read for anyone who cares about our planet and our place in it." Donald Kroodsma, author...
