THE SOUL'S AGENDA: THE INNER SELF WAITS PATIENTLY UNTIL WE ARE READY TO DISCOVER IT

Ryland, Peters & Small Ltd. Paperback. Book Condition: new. BRAND NEW, The Soul's Agenda: The Inner Self Waits Patiently Until We are Ready to Discover it, Michelle Stevens, Michelle Stevens has been keenly aware of the presence of her spirit guides in her life since she was eight years old and heard their messages. For 30 years she never told anyone about them, but in 2012, with encouragement from her guides, she created a blog in order to share their guidance, wisdom and support. 'The Soul's Agenda' is a stunningly presented compilation of the messages she has received and continues to receive every day. It seems that now, more than ever, so many of us doubt ourselves: we don't believe ourselves to be wise enough, strong enough, smart enough, clever enough or spiritual enough - when nothing could be further from the truth. We find ourselves searching for meaning in life, wondering what path to take, and asking ourselves questions, such as 'What is the difference between fear and intuition?', 'Should I follow my head or my heart?', and 'How can I know who to love and trust?' In fact, the answers to these questions are right there within us - and with her guides illuminating the way, Michelle helps us to find them. The messages will take you on a practical, and profoundly spiritual and personal, journey that leads to the well of confidence, clarity, strength, wisdom, creativity, fearlessness, love and joy that already exists in our souls. With this discovery of your inner self and strength, you will never again feel as if your life is at the mercy of forces outside of your control, and as a result your experience of yourself and of the world will be changed forever.
