Not illustrated. 1908 Excerpt: . . . at St. Louis, specimens of coke made at tlwssi ovens, and also a complete section of the 8-foot coal bed. Activ development of this companys property is delayed by lack of rau road facilities. The Virginia Iron, Coal and Coke Company owu about 2, 000 acres of coal land on Pond Creek, but there is no development of the property other than the opening of a few small banks. None of this property was of immediate value so long as there was no means of transportation. The construction of the Big Sandy branch of the Chesapeake and Ohio Railway to the mouth of Elkhorn Creek and up Marrowbone Creek to Casscll Fork was comple in June, 1906 Before the completion of the railroad the Big Satiny Company had leased coal-mining rights to five newly formed companies, and preparations for extensive mining were begun at once in...
