CREATIVE ART FOR GENERATIONS (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Judy H. Taylor is an old woman who believed she could not paint. One day life presented her with a new viewpoint. These past 30 years she has been sharing tips on how to paint using watercolors with her grandchildren and friends. Students have been asking: What do you mean you had to learn to see before you could paint? How can you enlarge a small drawing and not use math to figure out where things go? What are lift-able and what are staining paints? How does one know the difference? How do you know what a color will look like when you mix two different colors together? When composing a picture does it make any difference where things are located in the painting? What is the Golden Ratio or Divine Proportion? How long has it been used? These and other questions will be answered in Creative Art for Generations. Maybe this book is just what you are looking for - to get started.
