Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.
(Dr. Benjamin Lakin)

PLANNING CONSIDERATIONS FOR INTERNATIONAL INVOLVEMENT IN AN ISRAELI WITHDRAWAL FROM PALESTINIAN TERRITORY

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. On 6-7 May 2004 in the wake of Likud's rejection of Sharon's disengagement plan from the Gaza Strip and parts of the northern West Bank a group of Israelis, Palestinians and international officials and experts convened to address operational aspects of third party involvement in a withdrawal process. Chaired by Jarat Chopra and Mark Walsh, the meeting was hosted in Noordwijk aan Zee by the Netherlands Ministry of Foreign Affairs, sponsored by the Programme for Security in International Society at the University of Cambridge Centre of International Studies and organized with Strategic Assessments Initiative. The aim of the discussions was to consider what can and cannot work from a functional perspective, within the context of social and political realities. The meeting explored a range of issues affecting the design of any third party role during the period of an Israeli withdrawal from Palestinian territory. The participants combined local and regional expertise, direct knowledge of the parties positions and experience in complex peace operations, with humanitarian, military and transitional political elements. This mixture of individuals allowed the synthesis of area-specific information and lessons of multi-dimensional missions to produce comprehensive planning considerations. This report is a reflection of the issues discussed, and incorporates many of the ideas contributed by the participants. This item ships from La Vergne, TN. Paperback.
